

# Where to Park at Union Station

Oneida County has developed a parking plan for use of its parking lots adjacent to Union Station and the attached Railway Express Agency Building. Through a cooperative effort, the Utica Police Department will enforce the parking regulations in the county parking lots and on adjacent streets. Union Station serves many functions besides its obvious role as a transportation center. The station houses a number of retail establishments and county offices. The parking plan was developed to insure an orderly system of parking for the public and employees that use the station. Other than for Overnight Parking, parking regulations are in effect from 7:00am - 5:00pm, Monday thru Friday. You may park in any lot you want, except designated Handicapped Spaces, during evening hours and on the weekends.

Briefly noted below are the locations of where you should park. The parking map (*see reverse side*) shows where you should park for the following purposes:

## Adirondack Scenic Railroad

If you are taking a trip on the Adirondack Scenic Railroad on weekdays from 7:00am until 5:00pm, you should park at the eastern end of the Railway Express Agency Building.

## AMTRAK and Bus Service

If you will leave and return on the same day on weekdays from 7:00am until 5:00pm, you should park in the lots designated for **All-Day Parking**.

If you plan on leaving your car overnight, you must park in the lot designated as **Overnight Parking** at the corner of Railroad Street and Broad Street.

## Department of Motor Vehicles

If you are going to DMV you should park in the preferred **Short-Term Parking** lot located at the corner of Main Street and Railroad Street. DMV is open Mon. - Fri. 9:00am - 4:30pm.

## The Station Restaurant and Martini Bar

If you are going to The Station Restaurant and Martini Bar on weekdays from 8:30am until 4:30pm, you should park in the lots designated as **Short-Term Parking**, including the preferred lot behind the Children's Museum.

## General Public Use Parking

If you visit the station for county offices or shops for less than 90 minutes, you may park in the lots designated as **Short-Term**.

If you visit the station for county offices or shops for more than 90 minutes, you should park in the lots designated as **All-Day Parking**.

## Employee Parking

Employees, both county and tenants, must park in the areas designated as **Employee Parking** with a parking tag displayed in the front window of their vehicle.

## Handicapped Parking Spaces

There are thirteen (13) reserved parking spaces distributed around the station. (Spaces noted on the reverse side of this pamphlet)

## On-Street Parking

In addition to the county parking lots, the City of Utica has provided a number of 90-minute on-street parking spaces around Union Station from 9:00am - 5:00pm.
